**General Meeting**  
**7 pm March 27, 2019**  
**JUNIORS MEET AT 6:30pm!**

**Three....Auction!**  
**Two....Lapidary Show and Tell**  
**One....Polishing Greenstones**

We have a jam packed, fun-filled meeting for our general meeting on Wednesday, March 27 at 7:00 pm. We will first start out with a brief talk by Gary Katt on how he polished his beautiful Greenstones, and what equipment that he uses.

After that, Ken Hoekstra will talk about 3 different pieces of Lapidary equipment that was donated to our club several months ago. We have a Covington 10" trim saw, a Craftsman flat lap and a Star Diamond grinding unit with 2 brand new wheels. The equipment sat unused for a while, so Ken brought them home, cleaned them up, repaired what he could, and will talk about the pro's and con's of each. Then we will have an auction, and auction them off! (Please bring along cash and/or checkbook, our club does NOT accept credit cards.)

**Craftsman Flat Lap**

To add more excitement to the evening, we will also auction off a beautiful copper /prehnite slab donated by Gary Katt, a Luna Agate from the Larry graves collection (polished by Ken Hoekstra) and 7 Lake Superior Agates also from the Larry Graves Collection. Bring your questions, your checkbooks and enjoy a great meeting with your fellow rockhounds.

## Club Calendar 2019

Apr 24 (Wed) – Pot Luck Banquet/Meeting, 7p, HMCC  
 May 15 (Wed) – Board Meeting, 7p, HMCC  
 May 29 (Wed) – General Meeting, 7p, HMCC  
 Jun 12 (Wed) – Board Meeting, 7p, HMCC  
 Jun 26 (Wed) – General Meeting, 7p, HMCC  
 Jul 27 (Sat) – Picnic (Target Date - Tentative)  
 Aug 14 (Wed) – Board Meeting, 7p, HMCC  
 Aug 28 (Wed) – General Meeting, 7p, HMCC  
 Sep 13-15 – TCG&MC Show  
 Oct 16 (Wed) – Board Meeting, 7p, HMCC  
 Oct 30 (Wed) – General Meeting, 7p, HMCC  
 Nov 6 (Wed) – Board Meeting, 7p, HMCC  
 Nov 20 (Wed) – General Meeting, 7p, HMCC  
 Dec 4 (Wed) – Board Meeting, 7p, HMCC  
 Dec 18 (Wed) – General Meeting, 7p, HMCC

HMCC = Howard Miller Community Center, 14 S Church St. Zeeland, MI

For 2019, there are fifteen (15) positions, which have one vote each. There are currently (15) persons on the Board (two persons share one position). One position is open.

## Baby, It's STILL Still Cold Outside

First day of spring as of this writing and it is still snowing!

Please note the Howard Miller – Zeeland Public Library's weather closing schedule in the event of inclement weather. The TCGMC will follow the library's closing policy and schedule in the event of potentially severe weather. Contact the library at 616-772-0874.

## Septaria Egg

If you saw the pictures of the Septaria Egg in our January newsletter, then you KNOW you want to win it in the raffle.

The March Meeting is your penultimate opportunity to purchase raffle tickets. Please buy early and often.

The drawing will be held at our banquet meeting in April. You don't need to be present to win; if your ticket is drawn, we will find you! Tickets are available at each meeting through April (1 for \$5, 5 for \$20, 13 for \$50). All proceeds go to the GVSU Norman and Helen Gibson Geology Field Study Scholarship.

## Show Meeting April 17th

Next month is our first show meeting, April 17 at 7pm. We would love to have you join us as we start to work out the details for our 50th show! We have all our committee leaders set, but there is still much to do. Hope to see you there!

## AMFS Scholarship Fund

Last November, our Club donated \$400 to the AFMS Scholarship Foundation. Since 1975, we have contributed \$5288.00 to this fund. Two students in the MWF region received \$4000 grants from this fund.

**March Basement Field Trip** (additions and modifications)**Saturday, March 30, 2019**

**10:00 am** – Visit the home of Gary & Susan Katt, 502 LaGrange Street, South Haven to see their rock collection and workshop. Take I-196 to Exit 20, Phoenix Road. Go west, toward the Lake, to Broadway (third traffic signal). Turn left & go approx. ¼ mile to Superior St. (just past Shell gas station), turn left and drive 1 block. The Katt home is the last house on the right, just before the 4-way STOP sign at corner of LaGrange. The drive is just before the sign. Parking is allowed in designated spots on the street.

**11:45 am** – Depart for a group lunch at **Clementine's**, at the corner of Phoenix and Center Streets.

**1:00 pm** – Visit the home of Bob & Julia Sherwood, 966 Lake Street, South Haven to view their collections and workshop. From downtown South Haven take Blue Star Hwy. approx 7 miles north to Lake Street, ¼ mile past the inter-section of 109<sup>th</sup> Ave. with Blue Star. Drive nearly to the lake. Please park in designated driveways. March Basement Trips

**Additional Field Trips**

**April 27, 2019** – Intensive one day trip for Petoskey stones along the Lake Michigan shore starting near Charlevoix. Details and signup will be at the March 27 General Meeting.

**May 25 to 28, 2019**, Memorial Weekend – Two planned days for Museum visits and collecting fluorite specimens. Details and signup will be at the March 27 General Meeting.

**August 2 to 6**, Ishpeming – Club Show plus multiple collecting opportunities.

**West Michigan MWF Mineral Study Group Potassium Minerals (N thru Z)  
by Kreigh Tomaszewski**

The next monthly meeting of the West Michigan MWF Mineral Study Group will be held on Tuesday, April 9, 2019, from 7 pm to 8:30 pm, at the home of Kreigh Tomaszewski, 653 Burton St. S.E., Grand Rapids, MI 49507. This is a one-time change from our usual 2nd Tuesday meetings. We will be studying minerals that contain potassium beginning with the letters N thru Z. We try to start (and end) on time; please do not arrive more than 20 minutes early (and everyone gets thrown out by 9). All West Michigan rockhounds are invited to attend. I hope you can join us as we learn about minerals from each other, but you are always welcome even if you can't bring any specimens. Please join us and let part of your collection get to meet some other rockhounds and be appreciated.

**Covington 10" Trim Saw**

## In Memoriam

Marie Belgarde Zigler

Tulip City Gem & Mineral Club has lost one of its two remaining Charter Members. Marie B. Zigler passed away on February 15<sup>th</sup> in Ft. Wayne, Indiana. She and her husband, Bob, have lived there since 1985, when Bob was transferred from Holland by his company, General Electric. Both were very involved with our club from its inception in 1967. Marie served as the first Club Secretary and then was Editor of *The Tulip City Conglomerate* for a few years in the early 70's. She used her abundant artistic talent, honed by a Bachelor's degree in Art Education from GVSU, designing our club logo depicting a cornucopia of gems with two Dutch kids and the windmill "De Zwaan". The entire Zigler family was very active in field trips and often participated in trips organized by our Tulip City Club even after moving. After moving to Ft. Wayne, both Bob and Marie became members of the Three Rivers Rock Club where Marie was Editor of the "Strata Data," winning national awards for the publication and for her artwork.

Marie was born in North Dakota and met Bob when she was teaching in a rural school in South Dakota where they lived after getting married 69 years ago. Marie developed a passion for rock hunting from her father with whom she collected fossils as a child. Bob joined her in this love of hunting and they passed this enthusiasm on to their children, especially Melinda.

For many years, Marie and Bob came to help out with the Tulip City Show at the Civic Center. Marie will be long remembered for her demonstrating the craft of making gem trees, teaching many the fundamentals of twisting wire into trees and attaching gemstones.

The Sherwood's and other club members would often go to the Ft. Wayne show, especially to see the Ziglers. Marie introduced us to a favorite collecting site in South Dakota on the Cheyenne River, where she collected with her father when she was a young girl. There, one can find ammonites, baculites and fluorescent chalcedony along with petrified wood. Our last shared field trip was up a precarious trail to a mine near Socorro, NM for banded goethite, by means of Zigler's 4WD Jeep.

A new book for the Howard Miller Library has been chosen by the Board of Directors, in Marie's memory; *Geology of Michigan* by Dorr and Eschman.

–

Bob and Julia Sherwood

## ADDITIONAL MEMORIAL BOOKS

At its March Meeting, the Board of Directors chose 2 books for donation to the Howard Miller Library in memory of another recently deceased Charter Member, Olga K. DeKok. *Cave Geology* by Arthur Palmer and a children's book, *Eyewitness Rocks & Minerals* by R. F. Symes. Both of these were chosen because the specimen donated to the Club by the family was a sample of a stalactite, which Olga used as a teaching tool for her own children. This piece of a stalactite and other rocks and minerals donated for our "Memorial Rock Display" by the families of deceased members may be viewed at our annual Show.

**Tulip City Gem and Mineral Club  
February Board Meeting Minutes  
Howard Miller Community Center Zeeland  
February 13<sup>th</sup>, 2019, 7:00 PM**

**7:00 PM** – C.H. called the meeting to order at 7:05 and declared a quorum present.

Approval of Agenda: motion made, seconded and passed;

Approval of Minutes of January 16, 2019 Board Meeting; motion made, seconded and passed;

**Board reports**

President – C.H. Falstad

Treasurer's Report – Kurt Brinks moved to 2.27% money market

Immediate Past President – Bob Sherwood Book Totality book is cataloged ready for circulation in library and note to family will go out. Also has calendar to go to Amy for auction. Two other calendars from GVSU.

Vice President – Shari Luttkhuizen General Meeting – re-scheduled Arkansas Quartz crystals, Mike Rakovitz and Vicky Hartung; Quartz contest display night. Raffle. Rhonda –start raffle for Septaria Egg. (to bring in for General Meeting). Bill Hayworth - Beauties of Creation to do presentation at April Banquet "Ice Age Fossils".

Editor – Rudy Silich news due by Saturday at 7:00 PM

Field Trip Coordinator – Julia Sherwood field trips Feb, 23<sup>rd</sup> to GVSU will be presented in newsletter; March 30<sup>th</sup> will be two basement field trips; April with Black River Club, Lead Pam Haverman; April 27<sup>th</sup> Petoskey collecting at Fisherman Island State Park and other locations; April Yooperlite® Van Buren State Park list to begin to travel prior to ice breaking. May (Memorial Weekend) Fluorite closed mine tailings and two museums. Sign-ups in March.

Historian – Betty Hoekstra Materials will be in hand shortly.

Junior Leaders – Linda Winkelmann and Rick Smith; re-schedule January meeting – fossils; Kurt Brinks to bring fossils. March doing Petoskey polish;

Liaison – Rhonda Gehringer; registration sent in for MWF March meeting; Septaria Egg ready for raffle;

Membership Coordinator – Chris Silich nothing to report;

Show Chair – Sue Goedert - Meeting coming up in April; Gordon's food possible donation. Showed business cards;

Social Coordinator – Linda Plumert (absent) but asking for help for April Banquet.

Directors-at-Large – Amy Dickinson; (absent)

Tim Brandt: (absent)

**Recurring business:**

Rock Exchange – Southern Nevada Gem and Mineral Club should be soon on their way;

How much of Club's finances to be kept in reserves, how much to be put in CD, and how much of additional amount to be used for other purpose(s). Rudy – would like to keep amount about the same or creep a little larger; Moran Scholarship requirements for Junior member entering college for geology major; no motion; Felt currently the amount left in reserve was about the right amount.

Location for Lighthouse (to be moved from Visitors' Bureau) approval of contract; Motion to approve contract for long-term contract to Buffalo Welcome center; Bob motion, second Sue; motion passes; will need truck; three copies of license to be signed, one to go to President, Welcome Center, and Historian;

Approval of contract for Soccer Stop for the 50<sup>th</sup> Anniversary TCGMC show

**New Business:**

New direction for advertising TCGMC's 50<sup>th</sup> Anniversary Show (Facebook) and budget; Chris and Linda W. already advertising at Expopress.com. Midwest Federation; Amy's kids doing business card, posters; recommend subcommittee to spread the word on Facebook; cost for Kalamazoo Facebook ad \$750. May be able to get same benefit for less, use Twitter, need lots of pictures, need daily club Facebook posts; Mike Larson could use help for Facebook, multiple administrators; possibly Chris Cooper, Rhonda; need to advertise digitally, Instagram, Twitter, Facebook;

**Correspondence:** none

**Items from visiting members:** none

Adjourn meeting: by 8:27 PM

Respectfully submitted,

C.H. Falstad

**Tulip City Gem and Mineral Club  
General Meeting  
Howard Miller Community Center Zeeland  
February 27<sup>th</sup>, 2019**

Attendance – 60 persons

The meeting began at 7:04pm

Visitor's - The Crawford family

The Juniors were dismissed to the adjacent room.

Treasurer's Report – Kurt Brinks. A budget for the year was developed.

Membership - Chris Silich. Membership dues for 2019 are overdue, please renew.

Hospitality - Linda Plumert. There is a Banquet Committee. Help is needed for the food table, decorating, hosting welcoming table and cleanup. A sign-up sheet will be available.

Vice President – Shari Luttkhuizen. Mike and Vicki will give a presentation on the Arkansas field trip.

Show Chair Message from Sue Godert delivered by Shari Luttkhuizen – All Dealer contracts are completed. The next Show Meeting will be held on April 17<sup>th</sup>. Club Sales always needs clean, labeled material. Fliers will be available for the Jackson, MI Show, 15-17<sup>th</sup> of March. Indian Mounds' Show is April 4-6. Please see Julia Sherwood concerning bag sewing.

Field Trips – Julia Sherwood. March 30<sup>th</sup> visit to the Gary Katt and Sherwood homes for basement field trips. Van Buren State Park is always available for personal field trips.

April 27<sup>th</sup> weekend: a trip to Fisherman's Park is scheduled (for petoskeys).

Memorial Day weekend: a trip to the Ben E. Clement Museum and tailing piles in KY is scheduled.

Bob Sherwood – Marie Zigler passed away. Bob Zigler is the last surviving Charter Member of the TCG&M Club, which was founded in 1967. The book on eclipses, dedicated in Wes Kent's memory, is available at the Zeeland Library. Doug Sjoquist wrote an article on MI and St. Lawrence Co. NY minerals, which is in the Mineral News.

Margrete Fochtman – The Tri-Cities Museum in Grand Haven needs a volunteer to help with labels for their specimens.

Rhonda Gehringer – Raffle tickets are available for the septaria egg. The drawing will be held at the Banquet.

The Board Secretary position is still open.

Break at 7:35p

Presentation on Mt. Ida, AR field trip.

Meeting adjourned at 9:00pm

Respectfully submitted,  
Rudy Silich

**Star Diamond wheel grinding unit with two new wheels**

**Seven Lake Superior Agates including an eye agate**

**Copper/Prehnite/Quartz slab measuring 10" by 6". This picture is dark, it is a very lovely display piece.**

**Luna agate measures 8" by 4". Beautiful piece with purple circles in the middle.**

*Please be informed that the Pictured Rocks will NOT be auctioned.*

Seventeen Thousand, Seven Hundred and Twenty-Six Days Ago  
(As of Wednesday, March 20, 2019)

## Final Plans Made For Gem and Mineral Show

The Tulip City Gem and Mineral Club Board met at the Robert Zigler home Wednesday evening to make final plans for the coming Sept. 11 and 12 Gem and Mineral Show at Civic Center.

The show which is co-sponsored by the Tulip City Gem and Mineral Club and the Holland Recreation Department, will be open to the public and will open with a ribbon cutting ceremony next Friday at 6 p.m.

Club President Bob Zigler presided over the meeting. Show co-chairman Joe Moran gave a resume of the general plans and called on various chairmen for reports.

Bob Dick, who is in charge of special guest exhibitors, reported that there will be many exceptional exhibits entered into the show by members of surrounding Gem and Mineral Clubs and other rockhounds. One of the displays mentioned was a beautiful jewelry display of turquoise, amber and sterling silver, owned by a Grand Rapids couple and never before exhibited, and valued at over \$2,500.

Another guest exhibitor display is being entered by Mel Maier of Kalamazoo, who specializes in petrified wood lapidary work. One of these is an exact scale model of a Cone-stoga wagon made of inlaid petrified wood and sterling silver. Other items that he will

bring to the show will be a miniature chest, clocks, and a lamp made with a Jade shade.

Harold Calbetzor of Buchanan, Mich. will have a display of Montana Moss Agate which is the result of 15 years of collecting and is valued in excess of \$3,000.

Mr. and Mrs. John Kingshott, local display chairmen for the show, reported that there will be over ninety total exhibits, including 10 Junior exhibits. One of the displays of special interest will be one by Bob Dick who has an outstanding display of materials found within the city limits of Holland. This includes agates, horned coral, brachiopods, a crinoid head, Petoskey stones and Sphenolites. Mr. Dick's display was recently shown at the Douglas Centennial.

Mrs. A. W. Vanderbush will enter a beautiful display of Oregon Thundereggs and she will show with them a piece of jewelry that she has made from this material. Mrs. Joe Moran has a fluorescent booth display. Don Williams will have a display that demonstrates how diamonds are cut, and will show some glass models of some famous diamonds. The Kingshotts said there will be a wide variety of exhibits including gem and mineral specimens, fossils, Indian artifacts.

Moon Rock chairmen Vivian Bolhuis said that the Moon

Rock will be brought to Holland on Thursday.

Board members present at the meeting were Mr. and Mrs. Paul De Kok, Mrs. Helen De-Waard, Mrs. Chet Smith, Mr. and Mrs. John Kingshott, Mr. and Mrs. Joe Moran, Mr. and Mrs. Frank Bolhuis, Mr. and Mrs. Clarence Nies, Mr. and Mrs. Bob Weersing and the Ziglers.

Submitted by Chet Smith

*There is not room in this edition for an additional article from August 27, 1970. I will include it in next month's edition. If anyone has additional photos or articles from early Shows, please send them to me for inclusion.- Ed.*

**GVSU Field Trip Report**

*Pam Havermans reported on the field trip to GVSU in the White River Rock, Gem and Mineral Club's newsletter. The White River Sluice. I am copying a brief excerpt of it below. It's a great article, and I urge you to go to the website and read it all at [www.whiteriverrockgemandmineral.org](http://www.whiteriverrockgemandmineral.org)*

February 2019

Volume 2, Edition 2

# THE WHITE RIVER SLUICE

A publication of the  
White River Rock, Gem and Mineral Club

## **GVSU Geology Dept. Field Trip Rocked!**

by Pam Havermans, Field Trip Coordinator

Peter Remiersma, Kevin Cole and Greg Wilson did an over-the-top presentation! By far, it was the best college visit I've attended. We started at 9:30 and it was 12:15 when we disbanded. There was a list of club members that Peter passed around, the entire page of a legal pad had every line filled out, so I will say at least 34+ people showed between the White River Rock, Gem and Mineral Club and the Tulip City Rock and Gem Club (of Holland, MI). It was more people than Peter expected, so we split into two groups and the guys flip flopped us throughout the classrooms, work rooms and displays. Microscopes were set up for our viewing pleasure of minerals and rocks. They showed and explained the display cases, machinery / equipment, and their new acquisitions from the Tuscan show. Small samples were graciously given out at the end of the presentation.

## Junior Rock Club Page

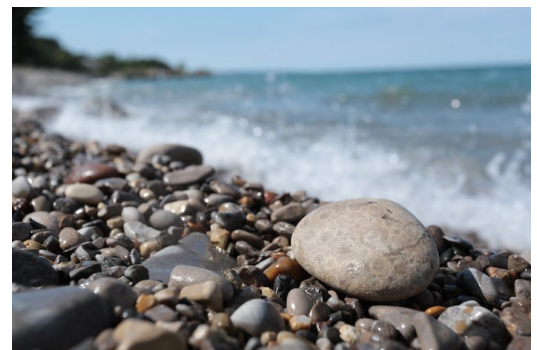

Junior Craft Night:  
**Petoskey Stone Polishing!!**  
6:30 start time

Our March junior meeting will be a craft activity—polishing Petoskey stones! The club will provide each junior with a Petoskey stone (or you can bring your own if you wish) and will supply all the materials you'll need to polish one side of the stone.

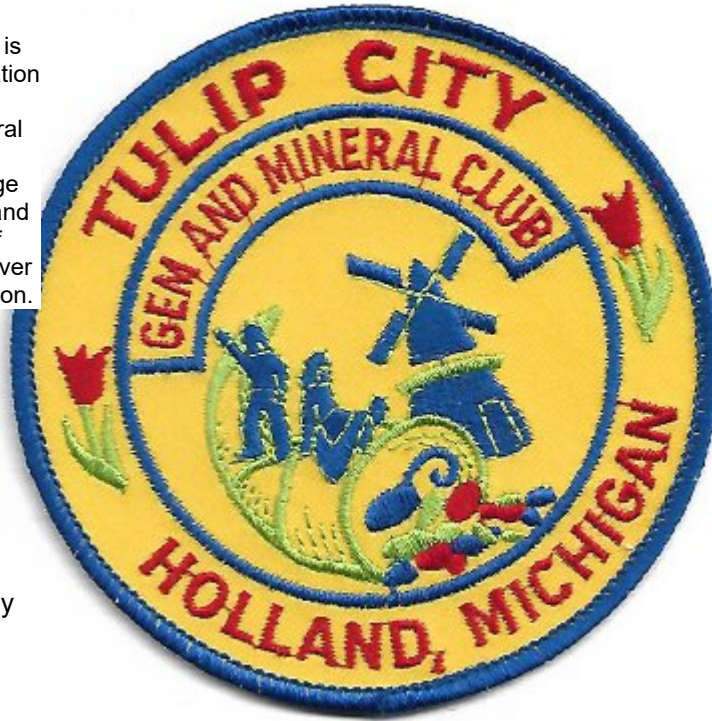

Did you know that Petoskey stones are really fossils? They are. They are the fossilized remains of an extinct fossil coral called *hexagonaria*. Way back in the Devonian Period (about 350 million years ago) what is now Michigan was underwater, and coral reefs formed in the shallow waters then much as they do now. Petoskey stones are a kind of fossilized coral, coming from the coral reefs found in a geological formation known as the Traverse Group. As you can see, our March junior program will be a continuation of last month's program on Michigan fossils.

Join us for a great time polishing Petoskey stones and learn more fun facts about Michigan's official state stone. We'll see you on Wednesday, March 27, at 6:30 pm at the **Howard** Miller Community Center in Zeeland.

Linda Winkelmann and Rick Smith  
Junior Program Leaders

Our club is a non-profit organization sponsored by the Holland Recreation Department. it is a member of the Midwest Federation and the American Federation of Mineralogical Societies. The general purpose of this club is to develop interest in and increased knowledge of minerals, rocks, gems, fossils, and the lapidary arts. The objectives of this club shall be promoted whenever Possible, through family participation.

Tulip City Logo, designed by Marie Zigler

To become a member, complete the form at [www.tulipcity.org](http://www.tulipcity.org)

The deadline for submissions is 5p the Thursday after the Board Meeting.

Advertising rates for club members are: \$5 for business card size, \$10 for ¼ page, \$15 for ½ page, \$30 for full page. non-member rates are double. Make check payable To: TCG&M with ad copy to Editor.

Meetings are held monthly on the last Wednesday of the month at the Howard Miller Community Center, 14 S. Church Street, Zeeland, MI at 7pm, unless announced otherwise in the TULIP CITY CONGLOMERATE. Junior Club welcomes young rockhounds and meets separately during the meeting.
